

Eric Clapton, Blues Power

(Eric Clapton and Leon Russell)

Bet you didn't think I knew how to rock 'n' roll.
Oh, I got the boogie-woogie right down in my very soul.
There ain't no need for me to be a wallflower,
'Cause now I'm living on blues power.

I knew all the time but now I'm gonna let you know:
I'm gonna keep on rocking, no matter if it's fast or slow.
Ain't gonna stop until the twenty-fifth hour,
'Cause now I'm living on blues power.

[Repeat First Verse]

Talking to you, now.
The boogie's gonna pull me through.
Keep on, keep on, keep on keeping on.
Keep on keeping on, keep on keeping on.
