Eric Clapton, Breaking Point

(Jerry Lynn Williams and Marty Grebb)

Well I just don't get it
Can't make the pieces fit
I might just as well forget it
But my heart won't let me quit

[Chorus:]
You say it's only a part of love
That's right
But I get a little worried sometimes
When I start to lose
Tired of holding it together
When I know I'm going to blow another fuse
I'm at my breaking point
My breaking point
I'm at my breaking point
My breaking point

Well you're never gonna get it
If you don't get up and try
Try and spread those wings around me
Honey let me see you fly

[Chorus]

Maybe someday you'll recover
I can see it in your eyes
One more thing that you'll discover
That you'll finally realize
