Eric Clapton, Double Trouble

(Otis Rush)

[Chorus:]
Lay awake at night,
Oh so low, just so troubled.
Can't get a job,
Laid off and I'm having double trouble.

Hey hey, to make you've got to try. Baby, that's no lie. Some of this generation is millionaires; I can't even keep decent clothes to wear.

Laugh at me walking, And I have no place to go. Bad luck and trouble has taken me; I have no money to show.

[Chorus]
