

# Eric Clapton, Easy Now

(Eric Clapton)

Holding you, you holding me,  
Everyone could see we were in ecstasy.  
Making love against the wall,  
Feeling very small when we didn't need to be.

[Chorus:]

Easy now; don't let my love flow out of you.  
Please remember that I want you to come too.

Oh my darling, help me please.  
When I'm without you I fall down and graze my knees.  
I look so funny and I feel sad,  
Your love is all I've ever had, so please don't tease.

[Chorus]

Yesterday, you know tomorrow,  
Could it be I'll have to borrow someone new?  
I know that I'm the one to blame,  
But all the same, there must be something you can do.

[Chorus 3x]
