Eric Clapton, First Time I Met The Blues

The first time I met the blues I was walkin' down through the woods (yeah) Yes, the first time I met you Mr Blues I was walkin' down through the woods As usual it would do me no good First time I met you Mr Blues

Well, the blues came after me Don't you know they rode me down through the trees Well, the blues came after me Don't you know they rode me down through the trees You should have seen me begging Blues, don't murder me (alright)

Morning Mr Blues
Don't you do what you do to me
Yes, yeah, good mornin' Mr Blues
Don't you do what you do to me
You know you'll be with me
Every single mornin', every night and every noon
(Yeah, well I'll tell ya all now)

Good morning Mr Blues Don't you do what you do to me

Good morning Mr Blues Don't you just do what you do to me You know that you'll be with me Every single mornin', every night and every noon
