

Eric Clapton, Have You Ever Loved A Woman

(Billy Myles)

Have you ever loved a woman
So much you tremble in pain?
Have you ever loved a woman
So much you tremble in pain?
And all the time you know
She bears another man's name.

But you just love that woman
So much it's a shame and a sin.
You just love that woman
So much it's a shame and a sin.
But all the time you know
She belongs to your very best friend.

Have you ever loved a woman
And you know you can't leave her alone?
Have you ever loved a woman
And you know you can't leave her alone?
Something deep inside of you
Won't let you wreck your best friend's home.
