Eric Clapton, Have You Ever Loved A Woman

(Billy Myles)

Have you ever loved a woman So much you tremble in pain? Have you ever loved a woman So much you tremble in pain? And all the time you know She bears another man's name.

But you just love that woman So much it's a shame and a sin. You just love that woman So much it's a shame and a sin. But all the time you know She belongs to your very best friend.

Have you ever loved a woman And you know you can't leave her alone? Have you ever loved a woman And you know you can't leave her alone? Something deep inside of you Won't let you wreck your best friend's home.
