

# Eric Clapton, Hungry

(Dick Simms and Marcy Levy)

Last night as I stepped into the stage lights,  
I heard the people cry when they saw my face.  
There's nothing like our hearts beating in time.  
The crowd may inspire, but you give me my strength.

[Chorus:]

Oh, hungry, I'm hungry, I'm hungry  
For your sweet smile.  
Lonely, I'm lonely, I'm lonely,  
I need to hold you for a while.

I've been slipping into desperation;  
You're the only salvation that the Lord designed.  
Your absence is controlling my defenses.  
My life is senseless without you by my side.

[Chorus 2x]

Loose ladies on the road will drive you crazy.  
Every "no" becomes a "maybe", it never takes too long.  
Missing you, I don't know what I'm gonna do.  
You don't know what I'm going through; everything seems wrong.

[Chorus]
