

Eric Clapton, I Found A Love

What would you do if I told you that I'm falling in love again?
I found a love that will hold my hand and baby she understands
A way to make my heart beat faster.
Is this heaven we're living in?
A way to make my life worth living.
I've fallen in love again.

I've got to ask you now, baby:

What would you say if I told you that I'm falling in love again?
I found a love that will hold my hand and baby she understands
A way to make my heart beat faster.
Is this heaven we're living in?
A way to make my life worth living.
I've fallen in love again.

[Repeat Second Verse]
