## Eric Clapton, I Wish You Would

(Billy Boy Arnold)

Early in the morning, 'bout the break of day, That's when my baby went away. Come back, baby, I wish you would, Try and love me, you won't do no good.

Walking and a-kissing late at night; I tell you now baby, I feel just right. Come now baby, whatcha trying to do? Trying to love me and some other man, too.

Come now baby, give me one more chance. You know I still love you, want to give you romance. Yeah romance, all night long, in my arms, woah yeah.

[Repeat First Verse]

You know baby that I love you so. You know, pretty baby, it hurts me to see you go. Oh yeah, oh yeah.
