

# Eric Clapton, May You Never

(John Martyn)

[Chorus:]

May you never lay your head down without a hand to hold.  
May you never make your bed out in the cold.  
May you never lose your temper if you get hit in a barroom fight.  
May you never lose your woman overnight.

Well, you're just like a great, strong sister to me,  
And I know that your love is true,  
And you hold no blade for to stab me in my back;  
I know that there's some that do.

So please, won't you please, won't you bear it in mind:  
Love is a lesson to learn in our time.  
Please, won't you please, bear it in mind for me.

[Chorus]

Well, you're just like a great, strong brother to me,  
And I know that your love is true,  
And you never talk dirty behind my back;  
I know that there's some that do.

[Bridge]

[Chorus]

May you never lose your woman overnight.  
May you never lose your woman overnight.
