

# Eric Clapton, Steady Rollin' Man

(Robert Johnson)

I am a steady rollin' man  
And I roll both night and day.  
I am a steady rollin' man  
And I roll both night and day.  
But I ain't got no sweet woman,  
Woo-hoo Lord, to be rollin' this way.

I am the man that rolls  
When icicles are hanging on the tree.  
I am the man that rolls  
When icicles are hanging on the tree.  
Why can't you hear me begging mama,  
Woo-hoo Lord, down on my bended knee?

[Repeat First Verse]
