

# Eric Clapton, Things Get Better

(Eddie Floyd, Steve Cropper and Wayne Jackson)

Come on, everybody.  
Come on, everybody.  
Hey hey, hey hey hey, hey hey hey, hey.

You can bring joy  
I never had.  
I'm going to be right here  
As long as it lasts.

[Chorus:]  
And that's why  
Things get better, baby,  
When I'm with you, yeah.  
Things get better, baby,  
When I'm with you, yeah.

I can be lonely  
If you can't be found, oh yeah,  
But I'm not a lonely baby, baby.  
You always surround.

[Chorus]  
Never in doubt about you,  
I know that you're mine.  
I can't lose this feeling.  
You stay on my mind.

[Chorus 2x]

Get a little better.  
Get, get a little better.
