

# Eric Clapton, Watch Yourself

by Buddy Guy

You better watch yourself,  
You better watch yourself,  
You better watch yourself,  
I got my eye on you.

You steal my love and go away.  
Don't tell me you'll see me another day.

Chorus

You've gone and left me, left me here to cry.  
You know I love you, know you're my desire.

Chorus

I give you all my love, everything too,  
Fine Cadillac, tell me what you gonna do.

Chorus

People are talking all over town.  
You say you don't love me, you're gonna put me down.

Chorus

Tell me what's the matter, what you gonna do?  
You say you're going to quit me then you say we're through.

Chorus

You better watch yourself,  
You better watch yourself,  
You better watch yourself,  
You better watch yourself,  
You better watch yourself,  
I got my eye on you.
