

Eric Clapton, We're All The Way

(Don Williams)

There's no cause to think that I won't stay;
Haven't I been with you all the way?
There's no time like now to make amends.
After all, we are more than friends.

[Chorus:]

This could be the time for you and me.
We could go wherever we should be.
So don't put words between us we shouldn't say,
And don't be acting halfway
When you know we're all the way.

There are times when I don't see the light.
I don't know if what I do is right.
But when I'm wrong, it's never meant for you,
So don't confuse my love with what I do.

[Chorus]
