

# Erik Santos, It Might Be You

Time, I've been passing time watching trains go by  
All of my life  
Lying on the sand watching seabirds fly  
Wishing there could be  
Someone waiting home for me  
Something's telling me it might be you all of my life

Looking back as lovers go walking past all of my life  
Wondering how they met and what makes it last  
If I found the place would I recognize the face

Something's telling me it might be you  
It's telling me it might be you  
So many quiet walks to take  
So many dreams to wake  
And there's so much love to make

I think we're gonna need some time  
Maybe all we need is time  
And it's telling me it might be you  
All of my life

I've been saving love songs and lullabies  
And there's so much more  
No one's ever heard before  
Something's telling me it might be you  
Yeah, it's telling me it must be you  
And I'm feeling it'll just be you all of my life  
I've been waiting for  
All of my life

Maybe it's you, maybe it's you  
I've been waiting for all of my life  
Maybe it's you, maybe it's you  
I've been waiting for all of my life  
It's you, it's you I've been waiting for all of my life
