lion:

And she says she needs  
more than a friend  
that's all i ever been yo  
well one day you gon overstand  
yo badu  
and i remember the first time  
that we met  
how could i forget  
when you smiled  
and i turned and said to you  
yo, your pure and tru

i'm in love with you, in love with you  
love with you, love with you  
i'm so in love baby  
i don't care what your mama say  
stabding in love lady  
i don't care what your sister say  
yo badu i need ya

lioness:

he said he's really diggin me  
i don't know what to say  
i can't imagine why i feel so weak  
say say  
that's when he took my heart  
in his hands  
and kissed it gently  
he open up his lips  
then said this poetry

i'm in love with you, in love with you  
love with you, love with you  
i'm so in love baby  
i don't care what your brothers say  
i'm so in love baby  
i don't care what the people say

well i try and i try and i try  
and i try and i try and i try  
and i try and i try

lion:

and you say you need  
more than a friend  
that's all i've ever be been yo  
well one day you gon' overstand  
yo badu

lioness:

and when i look in your eyes  
i know that you were meant to be  
my soldier so baby come on  
i mean it desperately
