

Eskobar, To The Moon

I'm going on to the moon
Leaving here pretty soon
To be with you

I'm going on to the moon
Leaving here pretty soon
To be with you

I am someone else now
I am someone else now
I am someone else now
To you

I'm going on to the moon
Leaving here pretty soon
To be with you

I'm going on to the moon
Leaving here pretty soon
To be with you

I am someone else now
I am someone else now
I am someone else now
To you
