

Esmee Denters, If I Could I Would

He's the kind of guy that gets you flowers

Stand outside for you in the rain

Call you up to say he's thinking about you
And he note every word you say

If I was Rapunzel

You'd climb every tower

And fight the dragon for my heart
But no matter how bad
I want to love him
I just can't seem to fall

But if I could
I would, love you
But I can't make
Myself feel what a true
And I know that I'm an idiot
'Cause any fool would kill to be with you
But if I could, I would
You know I would

He is something like a super hero
But his powers can't save my day
I can't explain what it is I'm feeling
But something is missing and I just can't stay

If I was Rapunzel
You'd climb every tower
And fight the dragon for my heart
But no matter how bad
I want to love you
I just can't seem to fall

But if I could

I would, love you
But I can't make
Myself feel what a true
And I know that I'm an idiot
Any fool would kill to be with you
But if I could, I would
You know I would

But if I could
I would, love you
But I can't make
Myself feel what a true
And I know that I'm an idiot
'Cause any fool would kill to be with you
But if I could, I would
You know I would
