

Esthero, Thank Heaven For You (For Book)

Thank heaven for you
And the way you take care of me
You hide my secret so well
Thank heaven for you
No matter storm to come your way
Whatever season in this house day to day
You've weathered them all
And you are so strong

So, thank heaven for you
You're my angel
Thank heaven for you
You're my angel
Thank heaven for you
You're my angel
Thank heaven for you
You're my angel

Whenever I get lost
You never let me disappear for long
You always bring me water
You never let me falter

So, thank heaven for you
You're my angel
Thank heaven for you
You're my angel
Thank heaven for you
You're my angel
Thank heaven for you
You're my angel

So, thank heaven for you
You're my angel
Thank heaven for you
Thank heaven for you
You're my angel
Thank heaven for you
Thank heaven for you
You're my angel
Thank heaven for you
Thank heaven for you
You're my angel
Thank heaven for you

So, thank heaven for you
You're my angel
Thank heaven for you
You're my angel
Thank heaven for you
Thank heaven for you
You're my angel
Thank heaven for you
Thank heaven for you
You're my angel
Thank you, thank you
Thank you, thank you
