

Esthero, Too Rude

(Carmen Rizzo feat. Esthero)

Too rude
To say you're sorry
Too rude
Just say you're leaving me
I can't pretend that i don't mind
So i'm
The better woman now.
Well you could screeeeaaaam out
But no ones listening
And to me your silence is deafening
I can't pretend that i dont mind
So i'm the better woman now
Too rude
Too rude
Just say you're sorry
Just say you're sorry
Just say you're leaving me
