

Eternal Decision, Beyond

All I am and all
That I will ever be
Kill my flesh I'll
Live for all eternity

Beyond I fly with eagles wings
Beyond by hands that
Eyes have never seen

Tear me down
Try to stop these words
Of life in me
I'll rise beyond what
You imagined me to be

Chorus:

And I'll fly away with you
And I'll fly far beyond
And I'll fly up to the sky
And I'll fly away with you

Solo: Cory

Eyes have not seen
All the plans you've made for me
Nor have ears heard
All the songs you've born in me

Chorus:

I'll fly away, away with you
Far beyond, beyond my dreams
Beyond what I could be, Far Beyond
