

# Eternal Decision, Beyond

All I am and all  
That I will ever be  
Kill my flesh I'll  
Live for all eternity

Beyond I fly with eagles wings  
Beyond by hands that  
Eyes have never seen

Tear me down  
Try to stop these words  
Of life in me  
I'll rise beyond what  
You imagined me to be

Chorus:

And I'll fly away with you  
And I'll fly far beyond  
And I'll fly up to the sky  
And I'll fly away with you

Solo: Cory

Eyes have not seen  
All the plans you've made for me  
Nor have ears heard  
All the songs you've born in me

Chorus:

I'll fly away, away with you  
Far beyond, beyond my dreams  
Beyond what I could be, Far Beyond
