

# Eternal Decision, Risen

I was a zombie, rotting.  
Dead flesh, lifeless shell doing evil.  
Then God gave me what I needed to find.  
To bring my soul to life.

Risen, renewed in mind.  
I am Risen. Risen with Christ.

My old sinful nature has died  
and my new life is kept with Christ.  
I am becoming like the one who raised me up.  
He is the son.

Risen, I'm filled with love.  
I have my focus on God and things above.  
I am risen, renewed in mind.  
I am risen, risen with Christ.  
God gave me life.

You, you too can rise  
Renew, renew your mind through Christ.
