

# Eternal Decision, Scar

Help me help you  
In your season of desperation  
Take my hand, my dear friend  
I will lead you home where you belong

Laying pride aside  
I know you've realized  
Just what was lost inside you  
I can see it in your eyes  
The cost of many lies  
I see the Scar on your soul

This love you gave  
Should have been without condition  
You search without  
For needs within  
I will lead you home where you belong

Chorus:  
Solo: Tommy

So low you fell  
In the midst of your conviction  
You cry for now from broken vows  
God will lead you home where you belong
