

# Ethel Cain, Antlers

[Verse]

Daddy, there's pain in your smile  
I've never seen you so dark  
You'll never walk me down the aisle  
You won't make it that far  
Mama took the key and she ran  
The baby's blood is on your hands  
We both know it's what you deserve

[Bridge]

I tried to pull you out  
But you built this bed to rot  
Look at all this hell you've caused  
And you'll blame yourself 'cause

[Outro]

It's all your fault  
It's all your fault  
It's all your fault  
It's all your fault
