

# Ethel Cain, Lilies (Ft. Mercy Necromancy)

[Verse 1: Ethel Cain]

Tell me I'm no one else's but yours  
Watching me undress standing in the door  
Wedding doves and leather gloves and all the things you're made up of  
What a wondrous thing to be in love

[Chorus: Ethel Cain]

You're like an angel  
Nothing can touch you  
But I want to hold you  
I want to love you  
You're like an angel  
I can't come close to you  
You know my weakness  
But you don't know what I'd do

[Post-Chorus: Ethel Cain]

You're such an angel  
And I'm gonna hurt you  
I know I'm gonna lose you  
But God I don't want to

[Verse 2: Mercy Necromancy]

Lilies grow all over the room  
And when you come inside, they bloom  
There is nothing that I want but you  
Tell me can I be seen through

[Chorus: Ethel Cain & Mercy Necromancy]

You're like an angel  
Nothing can touch you  
But I want to hold you  
I want to love you  
You're like an angel  
I can't come close to you  
You know my weakness  
But you don't know what I'd do

[Post-Chorus: Ethel Cain]

You're such an angel  
And I'm gonna hurt you  
I know I'm gonna lose you  
But God, I don't want to
