

Ethel Cain, Unpunishable

Down bad and nasty
Sacrificial angel, dirty slut with needs
In a convocation or a room alone
Call me what you want and I'll be that
Sucking on his teeth, he needs it so bad
He's screaming "Party's over, go the fuck home"

The darker the fruit, the sweeter
I ask him if he's ok with that
He's mean, I'm meaner
My baby says that he's not afraid of that
I say "You're right, in a way"
Giving it up on top of him
He says, "How so, babe?"
He wants to know how

Babe
I'm too good for you
And it makes me need it even more
Whose is it now
It's yours
Red and blue
Used and abused
It's still never enough
I'm unpunishable

Swollen up with envy
Says I'm his favorite
Yeah, I fucking better be
Drifting just right out of sight
Show me where it hurts and I'll
Lick it better
In the red light

Numb faces in a dark bar
We don't even know where we are
I don't even know who you are

I don't even know who you are, babe
I'm too good for you
And it makes me need it even more
Whose is it now
It's yours
Red and blue
Used and abused
It's still never enough
I'm unpunishable
