

Europe, Firebox

Dealing with magic
I have no defense
There's no answer...
Just surrender
Permission to land

Just a man
It never stops
Just one lifetime
Oh, firebox

Always hanging somewhere
Between desire and despair

Just a man
Can't get enough
Just one lifetime
Oh, firebox

Just a man
It never stops
Just one lifetime
Oh, firebox
Just a man
Can't get enough
Just one lifetime
Oh, firebox
