

# Evanescence, Before The Dawn

Meet me after dark again and I'll hold you  
I am nothing more than to see you there  
And maybe tonight, we'll fly so far away  
We'll be lost before the dawn

If only night can hold you where i can see you, my love  
Then let me never ever wake again  
And maybe tonight, we'll fly so far away  
We'll be lost before the dawn

[Chorus]  
somehow i know that we cant wake again from this dream  
it's not real, but it's ours

Maybe tonight, we'll fly so far away  
We'll be lost before the dawn

Maybe tonight, we'll fly so far away  
We'll be lost before the dawn

[Chanting]
