

# Evanescence, Cloud Nine

If you want to live, let live.  
If you want to go, let go.  
I'm not afraid to dream, to sleep, sleep forever.  
I don't need to touch the sky.  
I just want to feel that high,  
And you refuse to lift me.

Guess it wasn't real after all.  
Guess it wasn't real all along.

If I fall and all is lost,  
It's where I belong.

If you want to live, let live.  
If you want to go, let go.  
I'm never gonna be your sweet, sweet surrender.

Guess it wasn't real after all.  
Guess it wasn't real all along.

If I fall and all is lost,  
No light to lead the way,  
Remember that all alone is where I belong.

In a dream,  
Will you give your love to me?  
Beg my broken heart to beat,  
Save my life, change my mind.

If I fall and all is lost.  
No light to lead the way.  
Remember that all alone is where I belong.
