

# Evanescence, Exodus

My black backpack's stuffed with broken dreams  
20 bucks should get me through the week  
Never said a word of discontentment  
Fought it a thousand times but now  
I'm leaving home

[CHORUS:]

Here in the shadows  
I'm safe  
I'm free  
I've nowhere else to go but  
I cannot stay where I don't belong

Two months pass by and it's getting cold  
I know I'm not lost  
I am just alone  
But I won't cry  
I won't give up  
I can't go back now  
Waking up is knowing who you really are

[Chorus]

[Chorus]

Show me the shadow where true meaning lies  
So much more dismay in empty eyes
