Evanescence, Field Of Innocence

I still remember the world From the eyes of a child Slowly those feelings Were clouded by what I know now

Where has my heart gone An uneven trade for the real world Oh I... I want to go back to Believing in everything and knowing nothing at all

I still remember the sun Always warm on my back Somehow it seems colder now

Where has my heart gone Trapped in the eyes of a stranger Oh I... I want to go back to Believing in everything

[Latin hymn:] lesu, Rex admirabilis Et triumphator nobilis, Dulcedo ineffabilis, Totus desiderabilis.

Where has my heart gone An uneven trade for the real world Oh I... I want to go back to Believing in everything Oh, Where

Where has my heart gone Trapped in the eyes of a stranger Oh I... I want to go back to Believing in everything

I still remember.
