## Evanescence, Imaginary 1.0

I linger in the doorway
Of alarm clock screaming monsters calling my name
Let me stay
Where the wind will whisper to me
Where the raindrops as they're falling tell a story

In my field of paper flowers And candy clouds of lullaby I lie inside myself for hours And watch my purple sky fly over me

Don't say I'm out of touch With this rampant chaos, your reality I know well what lies beyond my sleeping refuge The nightmare I built my own world to escape

In my field of paper flowers And candy clouds of lullaby I lie inside myself for hours And watch my purple sky fly over me

You can lead the world you live in 'cause inside You may not remember But something waits for you to breathe again

In my field of paper flowers And candy clouds of lullaby I lie inside myself for hours And watch my purple sky fly over me
