

Evanescence, My Heart Is Broken

I will wander 'til the end of time, torn away from you.

I pulled away to face the pain.
I close my eyes and drift away.
Over the fear that I will never find
A way to heal my soul.
And I will wander 'til the end of time
Torn away from you.

My heart is broken
Sweet sleep, my dark angel
Deliver us from sorrow's hold
(Over my heart).

I can't go on living this way
But I can't go back the way I came
Chained to this fear that I will never find
A way to heal my soul
And I will wander 'til the end of time
Half alive without you

My heart is broken
Sweet sleep, my dark angel
Deliver us

Change - open your eyes to the light
I denied it all so long, oh so long
Say goodbye, goodbye

My heart is broken
Release me, I can't hold on
Deliver us
My heart is broken
Sweet sleep, my dark angel
Deliver us
My heart is broken
Sweet sleep, my dark angel
Deliver us from sorrow's hold
