

# Evanescence, New Way To Bleed

Serve your twisted enemy  
so you might earn forgiveness  
You know your whole world is waiting  
so why can't you speak?

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything  
or just a new way to bleed?

So go and tell all your friends that I'm a failure underneath  
If it makes you feel like a bigger man  
But it's my, my heart, my life that you're calling a lie  
I've played this game before  
and I can't take anymore

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything?  
or just a new way to bleed?

I drifted far beyond the earth  
freedom, freedom can't you feel the ground caving in?  
freedom, give us a reason to believe again

I feel it coming over me  
I'm still a slave to these dreams  
Is this the end of everything?  
or just a new way to bleed?
