

# Evanescence, Taking Over Me (Demo V.1)

You don't remember me but I remember you  
I lie awake and try so hard not to think of you  
But who (who) can (can) decide what they dream?  
And dream I do

I believe in you  
I'll give up everything just to find you  
(I believe) I have to be with you to live, to breathe  
You're taking over me

Have you forgotten all I know  
And all we had?  
You saw me mourning my love for you (mourning my love for you)  
And touched my hand  
I knew you loved me, then

(I believe) I believe in you  
I'll give up everything just to find you  
(I believe) I have to be with you to live, to breathe  
You're taking over me

I look in a mirror and see your face  
If I look deep enough  
So many things inside that are just like you are taking over

I believe in you  
I'll give up everything just to find you  
I have to be with you to live, to breathe  
You're taking over me

(I believe) I believe in you (I believe in you)  
I'll give up everything just to find you  
(I believe) I have to be with you to live, to breathe  
You're taking over me

(I believe) I believe in you  
You're taking over me
