

# Evanescence, The last song I'm wasting on you

Sparkling grey  
They're my own veins

Any more than a whisper  
Any sudden movement of my heart  
And I know  
I know I'll have to watch them pass away

Just get through this day

Give up your way  
You could be anything  
Give up my way  
And lose myself

Not today  
That's too much guilt to pay

Sickened in the sun  
You dare tell me you love me  
But you held me down and screamed you wanted me to die  
Honey you know  
You know I'd never hurt you that way

You're just so pretty in your pain

Give up my way  
And I could be anything  
I'll make my own way  
Without your senseless  
Hate  
Hate  
Hate  
Hate

So run  
Run  
Run  
And hate me  
If it feels good  
I can't hear your screams anymore

You lied to me  
But I'm older now  
And I'm not buying baby

Demanding my response  
Don't bother breaking the door down  
I found my way out

And you'll never hurt me again
