

Evanescence, Use My Voice

Cover my ears and close my eyes
Just long enough to stop the noise
Go and take everything and throw it away
But I will use my voice

Drown every truth in an ocean of lies
Label me a bitch because I dare to draw my one line
Burn every bridge and build a wall in my way
But I will use my voice

Whether you like it or not
You're gonna take what I got
If we can't talk about it
We just keep drowning in it
Give me credit or not
I give and I give a lot
But don't you speak for me

No, don't you speak for me

Nevermind me
I am a waste of your time
Never gonna fit in the box that you need
And I can read between the lines
Gather your friends and wave your gun in my face
But I will use my voice

Whether you like it or not
You're gonna take what I got
If we can't talk about it
We just keep drowning in it
Give me credit or not
I give and I give a lot
But don't you speak for me

No, don't you speak for me

Whether you like it or not
Whether you like it or not
Whether you like it or not
Whether you like it or not

One day soon it's gonna fall back on you
No more lies
We're gonna break right through
Like or not

If we can't talk about it
We just keep drowning in it
Give me credit or not
I give and I give a lot
But don't you speak for me

No, don't you speak for me

Don't you speak for me!
