Evanescence, Weight Of The World

Feels like the weight of the world, Like God in heaven gave me a turn. Don't cling to me, I swear I can't fix you. Still in the dark, can you fix me?

Freefall, freefall, all through life.

If you love me, then let go of me. I won't be held down by who I used to be. She's nothing to me.

Feels like the weight of the world, Like all my screaming has gone unheard. And oh, I know you don't believe in me. Safe in the dark, how can you see?

Freefall, freefall, all through life.

If you love me, then let go of me. I won't be held down by who I used to be.
