

Evanescence, Where Will You Go (Origin Version)

You are too important for anyone
You play the role of all you long to be
But I, I know who you really are
You are the one who cries when you're alone

But where will you go?
With no one left to save you from yourself
You can't escape
You can't escape

You think that I can't see right through your eyes
Scared to death to face reality
No one seems to hear your hidden cries
You're left to face yourself alone

But where will you go?
(Where will you)
With no one left to save you from yourself
You can't escape the truth

I realize you're afraid
(I realize)
But you can't abandon everyone
You can't escape
You don't want to escape

I'm so sick of speaking words that no one understands
Is it clear enough that you can't live your whole life all alone
I can hear you in a whisper
But you can't even hear me screaming

But where will you go?
(Where will you go?)
With no one left to save you from yourself
You can't escape the truth

I realize you're afraid
(I realize)
But you can't reject the whole world
You can't escape
You won't escape
You can't escape
You don't want to escape

Yeah yeah, yeah
Yeah yeah, yeah

Yeah yeah, yeah
Yeah yeah, yeah
