Verse 2:

Stephen Marley:

Max to my respect to my girl I love the best

But when you left me it's like a bullet to my chest

Now I'm not the same I got a bullet proof vest
Knocked off my feet I pleaded no contest
Sleepless nights without no sleep or rest
This is Ragamuffin, Jr. Gong comin' next
Take it no more I had to make a confess
Sometimes I feel I'm in the wild, wild west
Lost the love I had now I live to the death
Verse 3:

Damian Marley:

See woman a tell me lie, a give me long story line
Oh, sincerely yours, it could be sincerely mine
But listening to promises what a fool am I

Stephen Marley:

Can somebody tell me?

Damian Marley:

You know all his life

Stephen Marley:

I'm just trying to be friendly

Damian Marley:

But I'm losing my mind

Me notice that your moving physically on time

Use to be rubber ducky late nights no wine

Miss the loveliness of the body old wine

Well, might as well you shoot me with a new cold 9

Stephen Marley:

Sweet one above me

Damian Marley:

Is so hard to find

Stephen Marley:

And I know you don't love me

Damian Marley:

I'm reading the signs

Cause there's no where to go now you've left me behind

Stephen Marley:

Now it's true, true

Damian Marley:

That I loved you for truth

Stephen Marley:
