Everclear, Local God

You do that Romeo Be what you wanna be Looks like you're running in place Do that stupid dance for me

Do that Romeo
That go-go Romeo
I see you twist and turn
You look so stupid, happy and numb

Be my Romeo
Please be my voice in this world
I can't sing the songs that you sing
I can't find the gorgeous words

Will you be my Romeo? My go-go Romeo? I see you twist and turn You look so stupid

I feel just like a local god when I'm with the boys We do what we want Yes, we do what we want

I feel just like a local god when I'm with the boys We do what we want Yes, we do what we want

We do what we want.. Yeah, we do what we want..

Be my Romeo
Tell me all about your love
Tell me all about your pain
Bated breath and rubber gloves

Be my romeo My go-go go Romeo I see you twist and turn You look so fucking stupid

I feel just like a local god when I'm with the boys We do what we want Yes, we do what we want

Summer days can lead to the bad times The world gets larger everyday Yeah, yeah, the summer days can lead to the bad blood It gets me feeling stupid, happy and numb

I feel so stupid..

I feel just like a local god when I'm with the boys We do what we want Yes, we do what we want

i feel just like a local god when I'm with the boys We do what we want Yes, we do waht we want

We do what we want...

Yeah, we do what we want..
