

Everlife, Faded

You never take
Take the time to really look
Look at the one
The one I really am
You try to fit
Fit me in the perfect box
You let me slip between the cracks

Now I'm faded
Into someone else
Maybe someone I don't wanna be
Yeah, I'm faded
But your color is gone
Like a picture nobody sees

I bet you don't
Don't even know my favorite song
You tell me how
How I should wear my hair
You wanna change
Everything I ever was
Try to erase me 'til I'm not there

Now I'm faded
Into someone else
Maybe someone I don't wanna be
Yeah, I'm faded
But your color is gone
Like a picture nobody sees

Now I'm faded
Like I never was
'Til I don't even know myself
Yeah, I'm faded
Into what you want
But I'm not sinking in too well

I don't wanna be your little
Picture perfect pretty girl
Who's got nothing to say
I'm not gonna wait around
Let you run my whole life down
So you can watch me fade away

You try to fit
Fit me in the perfect box
You let me slip between the cracks

Now I'm faded
Into someone else
Maybe someone I don't wanna be
Yeah, I'm faded
But your color is gone
Like a picture nobody sees

Now I'm faded
Like I never was
'Til I don't even know myself
Yeah, I'm faded
Into what you want
But I'm not sinking in too well

I'm faded, hated
Yes I disappear in the dark

(disappear in the dark)
I'm faded, hated
So far away from who I was at the start

I'm faded, hated
Yes I disappear in the dark
I'm faded, hated
So far away from who I was at the start
