Everything Everything, Teletype

So what do you want?
So many big ol' lies to choose from now
Are you listening, are you breathing, are you coming up with some?
And what if I sell my soul?
And what if I don't?
Ooh, it's easy to lie when nothing makes sense anymore

Don't talk a lot
You don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on
Don't talk a lot
You don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on

Gonna take a bit
Maybe this will take a little time to heal
'Cause I'm hurting
And I don't want to go back down inside of me
And where is my sense of joy?
It's creeping back in
Yeah, I'm a liar but I'm lying next to you and you don't care

Don't talk a lot
You don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on
Don't talk a lot
Don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on
Don't talk a lot
Don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on
Don't talk a lot
Don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on

But it's alright
I feel alright, yeah, I feel good
I feel okay if this is the big time
If this is the big time
Then I feel good
Ooh, you might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want
You might be everything that I want

Don't talk a lot
You don't talk a lot but I like it
'Cause I can't tell you everything that went on
Can't tell you everything that went on
Don't talk a lot
You don't talk a lot but I like it
'Cause I can't tell you everything that went on

Can't tell you everything that went on
Don't talk a lot
Don't talk a lot but I like it
'Cause ooh you might be everything that I want
You might be everything that I want
Don't talk a lot
Don't talk a lot but I like it
'Cause ooh you might be everything that I want
You might be everything that I want

Lemme figure it out
