

Ewa Bem, I Will

Hm... yeah
Baby, I will
Yeah, yeah

Who knows how long I've loved you
You know I love you still
Will I wait a lonely lifetime?
If you want me to, baby, I will

I will
Baby, I will
Oh yeah

For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same

Oh-oh-oh-oh

Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you

Yeah, yeah

Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

Oh, baby, I love you

Love you forever
I wanna really love you

Love you forever
I wanna really love you

Love you forever
Oh yeah
I wanna really love you
Oh yeah

Love you forever
I wanna really love you

Love you forever
I wanna really love you

Love you forever
I wanna really love you
Yeah
I wanna really love you
