

Ewa Sonnet, Listen

Listen

I've got something to say

Yeah /2x

I know you're the type of guy
Who likes what catch the eye
And wehn you come to me
I bet you didn;t ralize
I kow the way you'e used to things
And the way you use your lines
If you think i am gonna fall for that
Don't you waste my time

If you wanna be
Wanna be with me
You better try a little harder
I don't even know your name
You don't even know my name
Reed my lips
You will hear me say

Listen, listen to me
I've got something to say
I'm mucj more than you see
Not just a pretty face
Listen, listen to me
I've got something to say
If you promise
To listen, listen to me

Now don;t you het me wrong
I like to have my fun
If you try to make somebody
Know i won't be the one
Cause it's never quite that easy
Never knwo what's going on
If you wanna try and please me
Just know you're doing this wrong

If you wanna be
Wanna be with me
You better try a little harder
I don't even know your name
You don't even know my name
Reed my lips
You will hear me say

Listen, listen to me
I've got something to say
I'm mucj more than you see
Not just a pretty face
Listen, listen to me
I've got something to say
If you promise
To listen, listen to me
