

# Example, Already Told You

I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
Why you talking when you know,  
You're telling fucking porkies.  
I've already told you  
No you fucking didn't  
Blah Blah Blah  
(You deaf or something)

Everytime I call you, you ain't got a signal,  
I can't help but think that, someone else is with you.  
It's a liberty girl, look at what I give you  
Tell me where you were last night and hope that I believe you.  
Heard you're out in Camden, dancing with a random  
So who the fuck was he?

(Ah)  
I met the girls at 9 and we had a little catchup  
Half an hour later we were getting mashed up  
Didn't have my phone 'cause my bag was in the cloakroom  
Bloody typical of you to make your mind up so soon  
It was a mate from uni go ahead and sue me

Err what's the real truth?  
(I'm not telling you)

I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
Why you talking when you know,  
You're telling fucking porkies.  
I've already told you  
No you fucking didn't  
Ah whatever init, whatever.

Promise not to shout 'kay?  
I met up with Danny (what?!) All we did was chat though  
(Err do you want him back?) No.  
Didn't want to tell you because you make assumptions  
We had a chat and after that he dropped me at my mum's house  
Passed out on the sofa, hence why I'm hungover.  
Can we drop this? (Nah nah nah, it's not like that) (Oh God)

At 8 o'clock this morning I spoke to your old dear  
She thought you were with me, told her you were not here  
If you weren't at her place, sleeping on the sofa  
Where the fucking hell were you or this is fucking over.  
Shit I won't put up with, 'cause I'm not a fuckwit.  
One last chance girl (one last chance)

I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
I've already told you.  
No you fucking didn't.  
Why you talking when you know,

You're telling fucking porkies.  
I've already told you  
No you fucking didn't  
Ah no, look you're really pissin' me off now.

Shouting in surround sound, girl this I'nt a playground  
Wouldn't smile back if this was the other way round  
Look me in the eye and don't take me for a fool please  
'Cause I'm gonna smash this cup of tea against the wall, Geez  
(Go on then) Fuck sake, you won't like me when I'm angry  
Look me in the eye then. (I am)

Alright, stop with all the screaming.  
Even when I tell the truth you think I'm bloody scheming  
I met up with Dan 'cause I don't get attention  
Always writing shitty songs and I don't get a mention  
So I went to his house shagged his fucking brains out  
(Hehehe) Now you happy?
