## Exodus, Exodus

It starts with life, a way to live
I love the sound of pain
The more it hurts the better I feel
The world will fall insane
It comes to me late late at night
When I feel like being cruel
Whip out the chains and get the knife
And slay some innocent fool

Get in our way and we're going to take your life Kick in your face and rape and murder your wife Plunder your town your homes they'll burn to the ground You won't hear a sound until my knife's in your back The exodus attack!

The filthy sound of death and pain Brings pleasure that I need The rotting hide the burning flesh The smell and I agree Bloody corpse makes me feel great Painkiller in my life Cut bare flesh to the bone Use a rusty knife

Get in our way and we're going to take your life Kick in your face and rape and murder your wife Plunder your town your homes they'll burn to the ground You won't hear a sound until my knife's in your back And the exodus attack!

Buzzards eat as well as worms
Nature s death machines
Pin you on the desert floor
Now you re hell's cuisine
I tell you all it's the way to live
Get stronger on death glory
Infringing on sacrificial rites
Death's your final story

Get in our way and we're going to take your life Kick in your face and rape and murder your wife Plunder your town your homes they'll burn to the ground You won't hear a sound until my knife's in your back And the exodus attack!
