F4, Broken Vow

BROKEN VOW by: Lara Fabian

Tell me her name, I want to know The way she looks and where you go I need to see her face I need to understand Why you and I came to an end

Tell me again, I want to hear Who broke my faith in all these years Who lays with you at night? When I'm here all alone Remembering when I was your own

CHORUS

I'll let you go, I'll let you fly Why do I keep on asking why? I'll let you go, I'll let you fly Now that I found a way to keep somehow More than a broken vow

Tell me the words I never said Show me the tears you never shed Give me the touch, the one you promise to be mine Or has it vanished for all time

(Repeat Chorus)

I close my eyes and dream if you and I And then I realize, there's more to life than only bitterness lies I close my eyes; I give away my soul To hold you once again and never let this promise end

(Repeat Chorus)
